# Moving forward and building partnerships

This Programme is funded by the European Union  
and the German Government

This Programme is  
implemented by GIZ

**giz** Deutsche Gesellschaft  
für Internationale  
Zusammenarbeit (GIZ) GmbH

## *Why a partnership?*

- Address common challenges jointly with cross border impact
- Jointly develop opportunities for the regions
- Share experience and good practice on issues of common interest

## *Which partners?*

- Working in similar themes with similar or complementary competences
- Ensuring added value to the project
- Eligible!

## ***What kind of partnership?***

**An active partnership means the project:**

- Has been jointly developed
- Will be jointly implemented
- Will be jointly financed

This Programme is funded by the European Union  
and the German Government

This Programme is  
implemented by GIZ

**giz** Deutsche Gesellschaft  
für Internationale  
Zusammenarbeit (GIZ) GmbH

## Are you willing to participate as partner?

You have to be able to:

- Actively contribute to the preparation of the proposal
- Receive and properly use funds from EC, but also contribute with some co-financing
- Have enough financial capacity to pre-finance activities (cashflow cofinancing)
- Implement the required activities and contribute to the common benefits
- Keep adequate accounting, provide required reports and keep required documentation

This Programme is funded by the European Union  
and the German Government

## Have you got a project idea?

If you have a project idea and want to become Applicant (Lead partner) take into account that you should have:

- Appropriate project management experience and track record
- Sufficient financial capacity
- Appropriate human resources
- Able to ensure results are sustained and project records are kept

## Are you looking for partners for your project idea?

- Develop an outline of your project that is interesting for potential partners
- Define the profile of potential partners (type of organisation, country, ...)
- Use existing networks of your organisation and those of any partner found
- Make your organisation easy to find by uploading the project idea on the programme web site and search for partners on [www.eaptc-ma.eu](http://www.eaptc-ma.eu) )
- Attend Infordays and contact National Contact Points

## How to involve the partners?

- Ensure joint interest and common benefit for all the partners: commitment depends on how well project suits each partner's needs
- Ensure good communication and common understanding on project development
- Identify precisely the problems and/or needs addressed, the goals, the activities and the expected results
- Be pro-active: who else should be involved in the project for the project success?

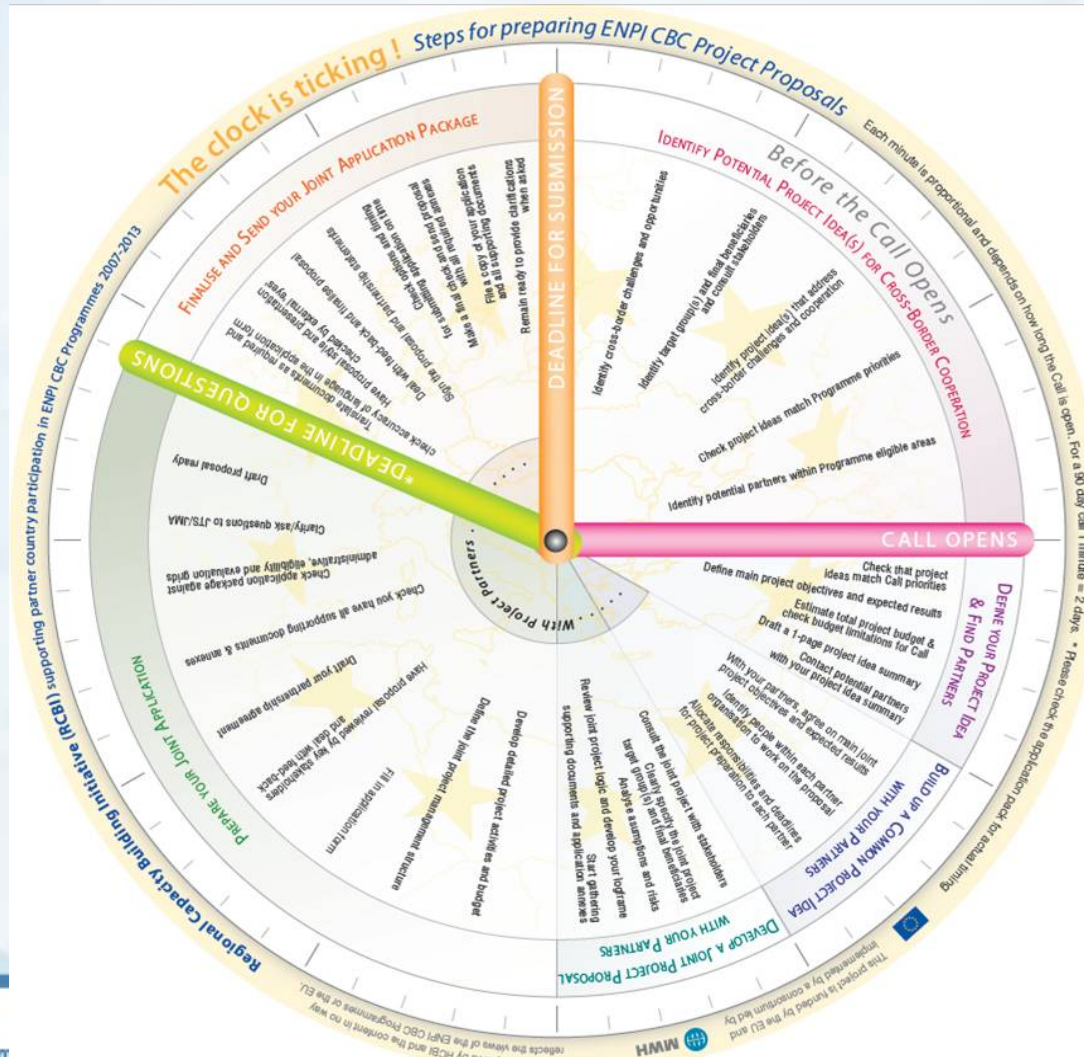

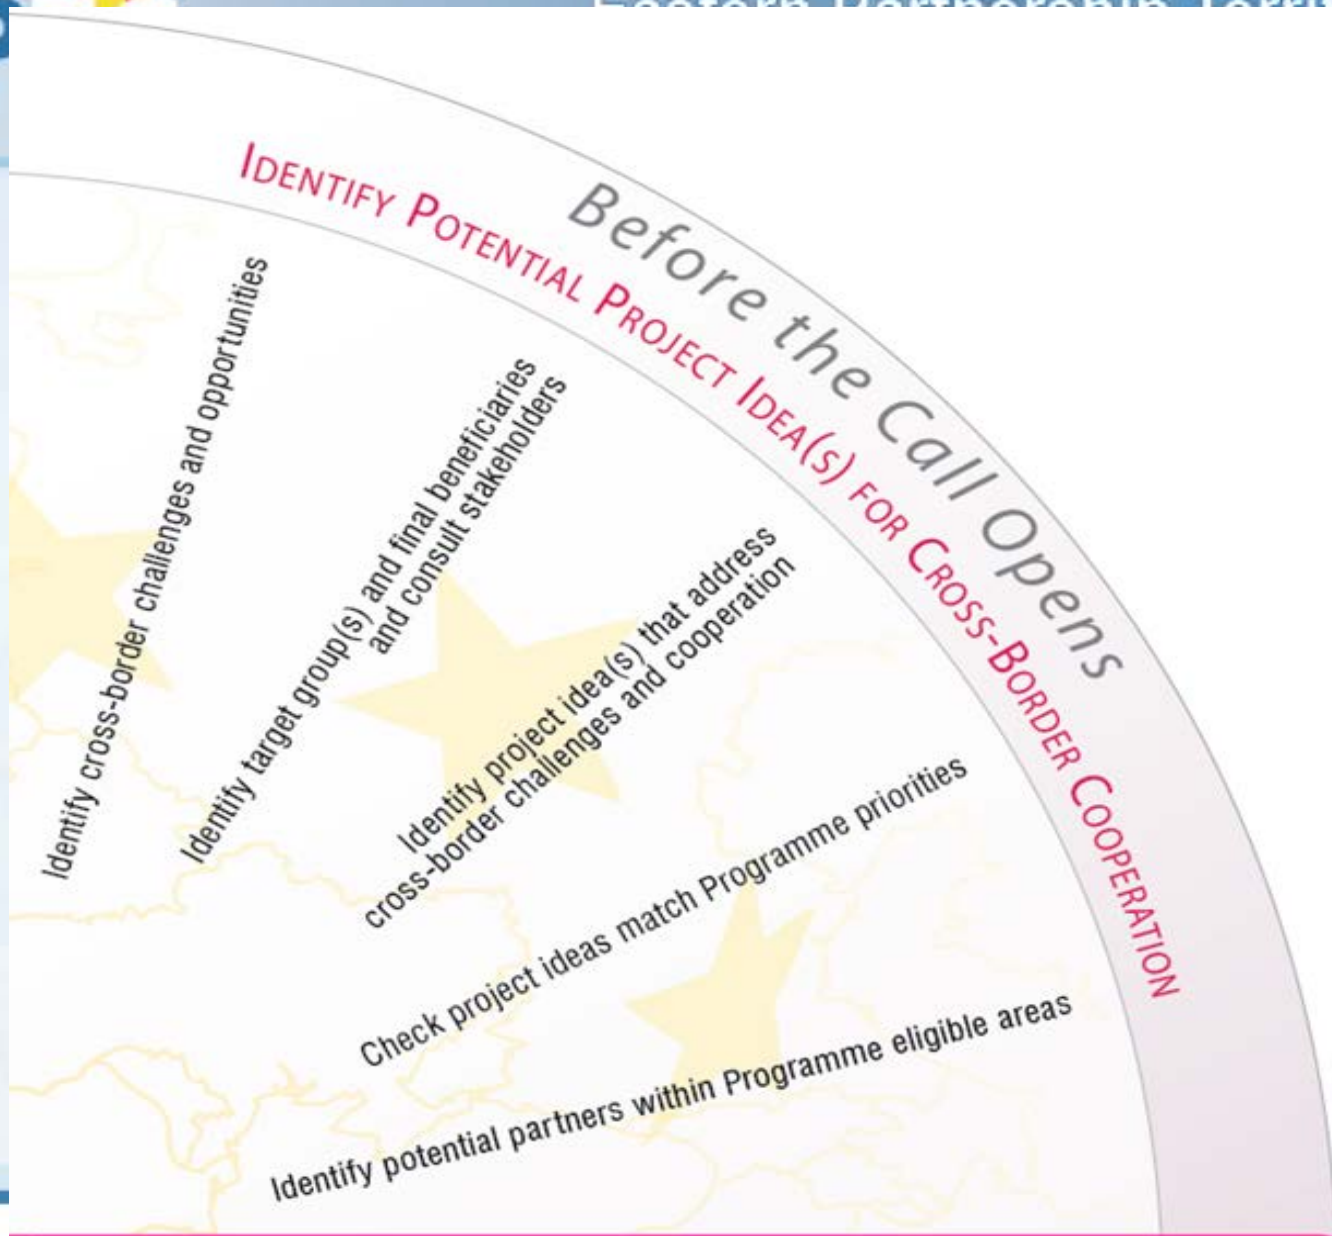

## Contacting partners

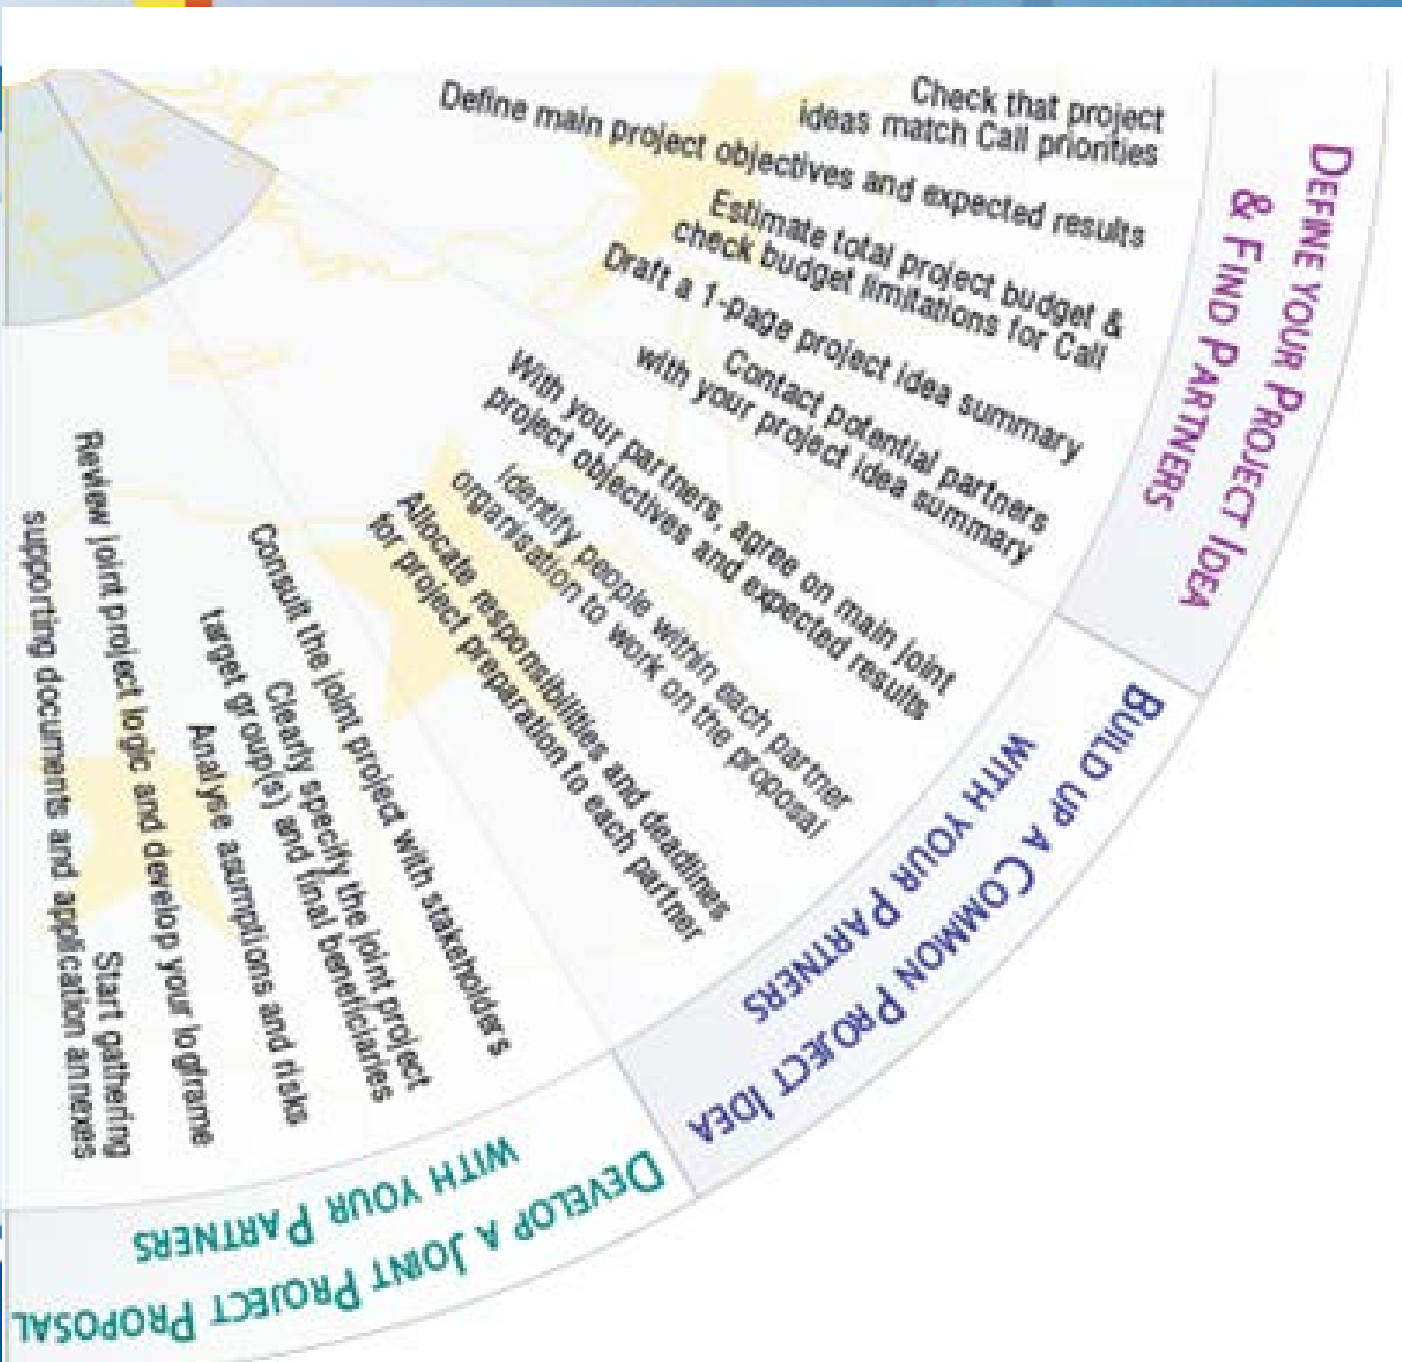

### First contact is vital:

- Prepare yourself
- Explain common benefits
- Agree steps for follow up
- Ensure understanding of eligibility rules (limitations on participation, location of the partner's headquarters or decentralised offices, ...)

## Develop your own action plan for submission of the proposal
