

INFO-DAYS

TERRITORIAL COOPERATION PROGRAMME BELARUS-UKRAINE

Online Support

In order to facilitate the support to the potential beneficiaries we are going to use a number of online tools:

- 1) Facebook Group – Eastern Partnership Territorial Cooperation Programme Belarus - Ukraine
- 2) Our Website <http://eaptc.eu>
- 3) EaPTC YouTube Channel

Facebook Group and Facebook Event

You can join our Facebook Group: **Eastern Partnership Territorial Cooperation Programme Belarus Ukraine**. There you will have regular updates, information and events.

YouTube

On the YouTube Channel: Eastern Partnership Territorial Cooperation Programme Belarus – Ukraine we will occasionally publish videos concerning information on our project, walk-through the application form, and events.

Our Website

<http://eaptc.eu>

To receive official information, press-releases, download documents, and to register in our events. As well to find partners.

Our Plan Online

- 1) We will soon upload a video on our YouTube channel showing you step by step how to fill the application form. In Belarusian, Russian and Ukrainian
- 2) We will develop an e-tool to facilitate you in understanding the application form, which can be downloaded or used online.

PROJECT CLINICS

Our capacity building team will be available for meeting to be consulted on your application, and any potential obstacles you may be having, these will look exactly like visits to the doctor, we will have appointments, consultations and diagnosis.

PROJECT CLINICS Offline

There is also another possibility, that we visit you in your country, and that the lead applicant can meet with us in person, instead of online, and can receive the consultations concerning their project.

PROJECT CLINICS – what we need

In order to participate in the project clinics on our website we will publish the

- 1) Budget in Excel sheet
- 2) The Logical Framework Matrix
- 3) A draft Concept Note format

You can download from our website

PROJECT CLINICS – What we need

- 1) 21st February 2016 it is possible to send us/or upload on our website. A) a short Concept Note form. B) Logical Framework Matrix. C) Budget. D) Questions.
- 2) By the 25th February 2016 we will select your project ideas and organise online and offline Project Clinics.

PROJECT CLINICS

We will decide with you if you prefer the Clinic to be online with your partners, or offline only with the leading applicant.

Then we will publish our travel dates, likely to be between the end of February and beginning of March and communicate to you your appointment schedule.
